TO WHOM IT MAY CONCEARN

I am writing to confirm that Yaroslav Moskalenko worked as a chef onboard my hotelbarge La Nouvelle Etoile cruising in the Netherlands, Belgium, France and Germany. This for the season of 2017

During this time, Yaro showed himself to be a very competent chef. Fine dining is a highlight of our cruises and Yaro's culinary skills were very much appreciated. As the boat was cruising in the various area's, most of the cuisine served on board was French/international with regional specialities. Yaro was responsible for menu planning, working around client's dietary requirements and special requests as well as shopping and adhering to the company's budget.

Throughout his time on board, Yaro was reliable, hard working and undertook all his duties with care.

Yours sincerely,

Jan Meijer
